BIO

I am a freelance digital compositor and motion graphics designer from Pordenone (Italy). I have an extensive knowledge of filmmaking and lighting fundamentals, thanks to my previous experience (4+ years) as a professional photographer and videomaker, and thanks to my educational background.

I am a highly adaptable professional who embraces teamwork, but also enjoys working independently.

COMPOSITING SKILLS

- Photorealistic multi-pass CG compositing
- Advanced green screen compositing
- Camera tracking & matchmoving
- Camera projections
- Rotoscoping
- Rig removal
- Painting & plate clean-up
- Object tracking
- Set extension
- Color correction fundamentals

EDUCATION

FEB 2018 - APR 2018

NukeX Compositing course with Victor Perez at ViFX - School of Visual Effects

<http://www.vifx.it/corso/nuke-x-compositing/>

JUN 2016

Maxon Cinema4D Certified based training at C4Dzone school

<http://www.corsicinema4d.com/course/>
